Transnational Higher Education  
and Mobility

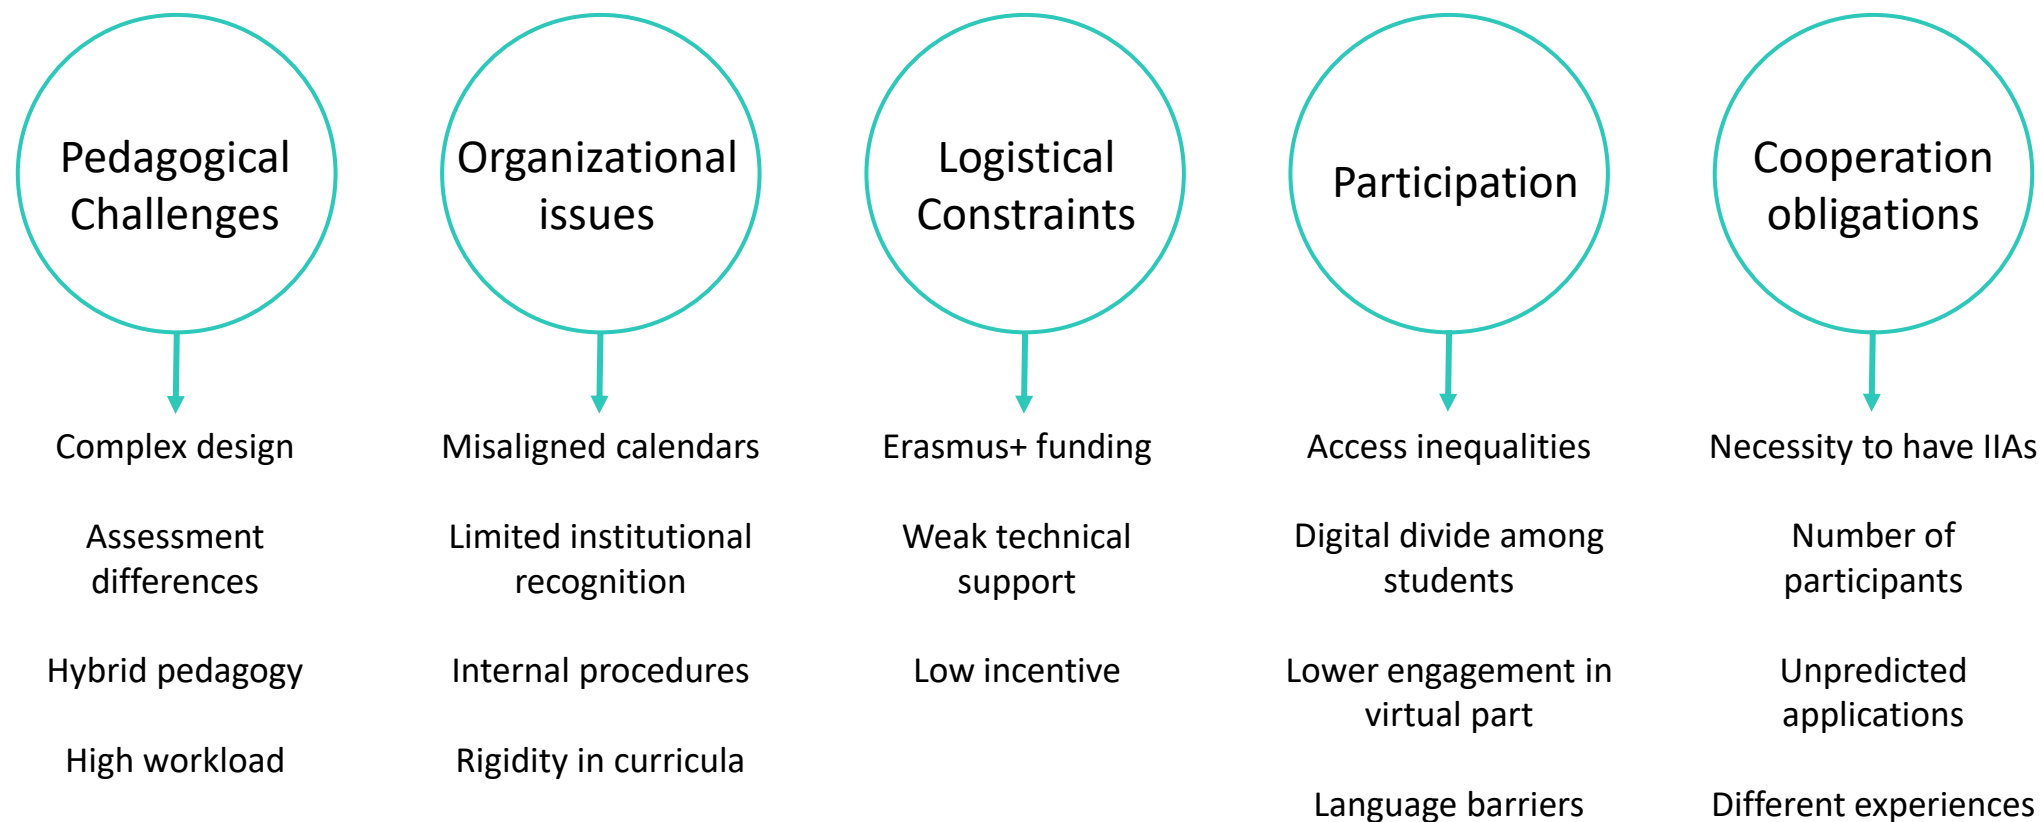

# Implementing BIPs within **FORTHM Alliance**

Overview of main opportunities and challenges faced by  
universities

Co-funded by  
the European Union

# CHALLENGES

# FORTHM GOALS

1. Reach 45 FORTHM BIPs within the Alliance by 2026
2. Give new mobility options: promoting *FORTHM short-term mobilities* (up to 5 days ; exclusively for the FORTHM community ; fully on-site)

# WHAT WE ACHIEVED

## FORTHEM BIPs

Definition of 'FORTHEM BIPs'

Support for teaching staff to boost the implementation of new FORTHEM BIPs

Creation of an Erasmus+ IIA between all members

Proposition of different IT solutions for the virtual part

Share of good practices between HEIs

## FORTHEM STM

Implementation of FORTHEM short-term mobilities since 2019

Simplified organization/design

Acknowledgment within curricula

> FORTHEM alternative to BIPs

# RESULTS

## FORTHM BIPs

- Mid-2025 report: about 40 FORTHM BIPs organized
- Promotion of BIPs on the FORTHM website
- All members organized at least 1 FORTHM BIP
- Open for external partners

## FORTHM STM

- 80+ FORTHM STM programs since 2019
- Call for application twice a year
- Covered by FORTHM funds
